Come From Away

On 9/11, the world stopped. On 9/12, their stories moved us all.

SYNOPSIS: *Come From Away* takes you into the heart of the remarkable true story (Following the 9/11 attacks when 38 planes and 6,579 passengers were forced to land in Gander, Newfoundland) of stranded passengers and the small town in Newfoundland that welcomed them. Cultures clashed and nerves ran high, but uneasiness turned into trust, music soared into the night, and gratitude grew into enduring friendships. This is a new musical written by Tony nominees Irene Sankoff and David Hein, and helmed by this year's Tony-winning Best Director, Christopher Ashley.
